

2″ pocket

30″ x 60″ Double-sided Light Pole Banner

(2″ pole pocket top & bottom)

front

Margin/Safe Area
27.5″ x 53.75″
Keep important artwork elements inside this area away from pocket seams.

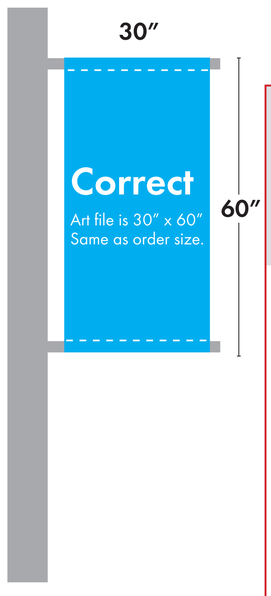

Trim/Finish Size
30″ x 60″

Minimum resolution:
100 ppi

Bleed Area (1″ bleed all sides)
32″ x 62″
Reminder: when designing double-sided banners the pocket color will be extended to form pole pocket, so design on back of banner should allow for this.

2″ pocket
